SUMMARY:

Full-stack developer passionate about building efficient web applications and eager to grow with a dynamic team

TECHNICAL SKILLS:

- **Frontend** – HTML, CSS, JavaScript, React JS, TypeScript, MUI
- **Backend** – Python, FastAPI, Basic Django
- **Database** – PostgreSQL, MongoDB
- **AL/ML** – LangChain

EXPERIENCE:

Full Stack Developer – Fladdra Technologies | Pune, India | Jan 2025 – December 2025

- Built and optimized highly responsive, reusable UI components in React.js, resulting in a 30% improvement in page load time and significantly enhancing overall user engagement.
- Designed and deployed **RESTful APIs with FastAPI**, enabling secure authentication and smooth data operations across the platform.
- Developed and maintained **admin & user panels**, streamlining workflows and reducing manual operations by 40%.
- Collaborated with cross-functional teams to integrate frontend and backend features, ensuring seamless user experience.

PROJECTS:

[\[Live\]](#) Hospital Management System – Full Stack Development

Tech Stack: React, FastAPI, MongoDB, JWT Authentication

- Built a complete hospital management system with **role-based login** (Admin & User).
- Integrated **AI chatbot** for enhanced user interaction, improving query resolution by 40%.
- Designed an **Admin Dashboard** to track hospital records and form status.

[\[Live\]](#) CareerView – AI-Powered Career Preparation App & Web – Full Stack Development

Tech Stack: FastAPI, React, MongoDB, LangChain, ChatGPT

- Developed an AI-driven mock interview & video assessment platform with dynamic Q&A generation.
- Implemented real-time transcription and scoring pipeline, with role-based dashboards for students, trainers, and admins.
- Designed dashboards to track career progress and assessment results

[\[Live\]](#) CloudsNetworking – Full Stack Development

Tech Stack: React, FastAPI, PostgreSQL

- Built APIs for courses, syllabus, authentication, blogs, and feedback.
- Integrated email services for contact forms and enrollment processes.
- Designed Admin and User Panels to streamline operations.

EDUCATION

Pursuing Bachelor of Science in Computer Application In Savitribai Phule Pune University (SPPU)
